		Comr	nunication and Language	(C&L)		
Birth – 3 Listening and Attention	I enjoy laughing and being playful with others.	I concentrate intently on an object or activity of my own choosing for short periods	I pay attention to dominant stimulus – easily distracted by noises or other people talking	I enjoy rhymes and demonstrate listening by trying to join in with actions or vocalisations	I Pay attention to my own choice of activity, may move quickly from activity to activity	I Listen with interest to the noises adults make when they read stories
Birth – 3 Understanding	I am developing the ability to follow others' body language, including pointing and gesture.	I am understanding single words in context and I am developing, e.g. cup, milk, daddy	I understand different situations - able to follow routine events and activities using nonverbal cues	I select familiar objects by name and will go and find objects when asked, or identify objects from a group	Selects familiar objects by name and will go and find objects when asked, or identify objects from a group	Identifies action words by following simple instructions, e.g. Show me jumping
Birth – 3 Speaking	I use single words. I frequently imitate words and sounds. I enjoy babbling and increasingly experiment with using sounds.	I use words to communicate for a range of purposes (e.g. teddy, more, no, bye-bye)	I use different types of everyday words (nouns, verbs and adjectives, e.g. banana, go, sleep, hot)	I am beginning to put two words together (e.g. Want ball, More juice	Beginning to ask simple questions Uses gestures, sometimes with limited talk, e.g. reaches toward toy, saying Want it	Uses language to share feelings, experiences and thoughts
3 – 4 Listening and Attention	I recognise and respond to many familiar sounds, e.g. turning to a knock on the door, looking at or going to the door.	I shows interest in playing with sounds, songs and rhymes	I have a single channelled attention; can shift to a different task if attention fully obtained – using my name helps focus	I listen to others in one-to-one or small groups, when conversation interests them	Listens to familiar stories with increasing attention and recall	Joins in with repeated refrains and anticipates key events and phrases in rhymes and stories

3 – 4 Understanding	I am beginning to understand more complex sentences, e.g. Put your toys away and then sit on the carpet.	I understands who, what, where in simple questions (e.g. Who's that? Who can? What's that? Where is?)	I am developing an understanding of simple concepts (e.g. fast/slow, good/bad)	I understand the use of objects (e.g. Which one do we cut with?)	Shows understanding of prepositions such as under, on top, behind by carrying out an action or selecting correct picture	Responds to instructions with more elements, e.g. Give the big ball to me; collect up all the blocks and put them in the box
3 – 4 Speaking	I can hold a conversation, jumping from topic to topic.	I am learning new words very rapidly and I can use them when communicating	I use a variety of questions (e.g. what, where, who)	I uses longer sentences (e.g. Mummy gonna work) beginning to use word endings (e.g. going, cats	Beginning to use more complex sentences to link thoughts (e.g. using and, because)	Able to use language in recalling past experiences
		Personal, Soc	ial and Emotional Develo	pment (PSED)		
Birth – 3 Making Relationships	I draw others into social interaction through calling, crying and babbling, smiling, laughing and moving my body and limbs.	I can engage with another person to help achieve a goal, e.g. to get an object out of reach	I explore confidently when I feel secure in the presence of a familiar adult and is more likely to engage in new or challenging situations	I enjoy playing alone and alongside others and is also interested in being together and playing with other children	• Shows empathy by offering comfort that they themselves would find soothing, i.e. their dummy	Asserts their own ideas and preferences and takes notice of other people's responses
Birth – 3 Sense of Self	I respond to my own name and enjoys finding my own nose, eyes or tummy as part of interactive games.	I am showing an emerging autonomy through asserting choices and preferences such as different tastes and rejects things that I do not want, for example by pushing them away	I understands that my voice and actions causes an effect on others, e.g. clapping hands starts a game	I am aware of and interested in my own and others' physical characteristics, pointing to and naming features such as noses, hair and eyes	Experiments with what their bodies can do through setting themselves physical challenges, e.g. pulling a large truck upstairs	Knows their own name, their preferences and interests and is becoming aware of their unique abilities
Birth – 3 Understanding Emotions	I explore the boundaries of behaviours that are accepted by adults	I use a comfort object, familiar others, routines or spaces to soothe	I use a familiar adult to share feelings such as excitement and for "emotional	I can express positive feelings such as joy and affection and negative feelings	Is aware of others' feelings and is beginning to show empathy by offering	Expresses the self- aware emotions of pride and embarrassment as

	and become aware of basic rules as I use my emerging agency and autonomy.	myself, particularly when separated from my close carer	refuelling" when feeling tired or anxious	such as anger, frustration and distress, through actions, behaviours and a few words	a comfort object to another child or sharing in another child's excitement	well as a wide range of other feeling
3 – 4 Making Relationships	I am becoming more able to separate from my close carers and explore new situations with support and encouragement from another familiar adult.	I am showing some understanding that other people have perspectives, ideas and needs that are different to mine, e.g. may turn a book to face you so you can see it	I seek out others to share experiences with and may choose to play with a familiar friend or a child who has similar interests	I show empathy and concern for people who are special to them by partially matching others' feelings with my own, e.g. may offer a child a toy they know they like	seeks out companionship with adults and other children, sharing experiences and play ideas	Enjoys playing alone, alongside and with others, inviting others to play and attempting to join others' play
3 – 4 Sense of Self	I show a sense of autonomy through asserting my ideas and preferences and making choices and decisions.	I am gradually learning that actions have consequences but not always the consequences that I hope for	I experiment with my own and other people's views of who I am through their play, through trying out different behaviours, and the way I talk about myself	I am becoming more aware of the similarities and differences between myself and others in more detailed ways and identifies myself in relation to social groups and to my peers	Enjoys a sense of belonging through being involved in daily tasks	• Shows their confidence and self-esteem through being outgoing towards people, taking risks and trying new things or new social situations and being able to express their needs and ask adults for help
3 – 4 Understanding Emotions	I seek comfort from familiar adults when needed and distracts myself with a comfort object when upset.	I respond to the feelings of others, showing concern and offering comfort	I may recognise that some actions can hurt or harm others and begin to stop myself from doing something I should not do, in favourable conditions	I participate more in collective cooperation as their experience of routines and understanding of some boundaries grows	Talks about how others might be feeling and responds according to their his understanding of the other person's needs and wants	Is more able to recognise the impact of their her choices and behaviours/actions on others and knows that some actions and words can hurt others' feelings

			SCARF:			
	Marvellous me!	Me and my friends	People who help me and keep me safe	Looking after myself	What does my body need?	Growing and changing in nature
	I'm special	Friends and family	Safety Indoors and Outdoors	Looking after others	I can keep trying	When I was a baby
	People who are special to me	Including everyone	What's safe to go into my body	Looking after my environment	I can do it!	Girls, boys and families
		F	Physical Development (PI	0)		
Birth – 3 Moving and Handling	I enjoy the sensory experience of making marks in food, damp sand, water, mud, paste or paint.	I can push, pull, lift and carry objects, moving them around and placing with intent	I climb inside, underneath, into corners and between objects	I participate in finger and action rhymes, songs and games, imitating the movements and anticipating actions	When holding crayons, chalks etc, makes connections between their movement and the marks they make	Sits up from lying down, stands up from sitting and squats with steadiness to rest or play with object on the ground, and rises to feet without using hands
Birth – 3 Health and Self-Care	I can feed myself with increasing need to be in control and holds cup with both hands, drinking without much spilling.	I can actively cooperate with nappy changing, dressing/undressing	I develop my own likes and dislikes in food and drink, willing to try new food textures and tastes	I enjoy hugs and cuddles and seeks comfort from attachment figure when I feel the need	• Feeds self with increasing need to be in control and holds cup with both hands, drinking without much spilling	Develops some independence in self-care and shows an awareness of routines such as handwashing or teeth cleaning but still often needs adult support
3 – 4 Moving and Handling	I move in response to music, or rhythms played on instruments such as drums or shakers.	I am beginning to understand and choose different ways of moving	I can kick a stationary ball with either foot, throws a ball with increasing force and accuracy and starts to catch a large ball by using two hands and my chest to trap it	I turns pages in a book, sometimes several at once	Walks down steps or slopes whilst carrying a small object, maintaining balance and stability	Manipulates a range of tools and equipment in one hand, tools include paintbrushes, scissors, hairbrushes, toothbrush, scarves or ribbons

3 – 4 Health and	I can feed myself						
Self-Care	competently. I can hold a cup with two hands and drink well without spilling. I am developing some independence in selfcare and I show an awareness of routines such as handwashing or teeth cleaning but still often needs adult support.	I am beginning to recognise danger and seek the support and comfort of significant adults	I am able to help with and increasingly independently put on and take off simple clothing items such as hats, unzipped jackets, wellington boots	I develop increasing understanding of and control of the bowel and bladder urges and starts to communicate my need for the preferred choice of potty or toilet	Observes and can describe in words or actions the effects of physical activity on their bodies	• Can wash and can dry hands effectively and understands why this is important	
Healthy Movers							
	Whatever the Weather Hide and Seek	Wiggle, Weave and Watch Choo Choo	Steering Birds in Trees	Aiming High Pop the Bubbles	Pick up Packets Jungle Journey	Deep Blue Sea Hot Hot Hot Treasure	
	Squiggle Whilst you Wiggle						
	Move 1 - Up and Down Move 2 – The Wiggle	Move 3 – The Circles	Move 4 – The Hump (& under the hump)	Move 5 – The Hook	Move 6 – Precursive Move 7- A Gentle Wave	Move 8 – laid down 8, the stand it up straight Move 9 – straight line	
	-		Literacy				
Birth – 3 Reading	I handle books, printed and digital reading material with interest.	I am interested in and explore the sounds made by banging and tapping familiar objects and simple instruments	I am interested in and anticipate books and rhymes and may have favourites	I notice pictures and symbols and beginning to recognise what they stand for in my familiar experiences	Begins to join in with actions and sounds in	Repeats and uses actions, words or phrases from familiar stories	
Birth – 3 Writing	I enjoy the sensory experience of making marks in food, damp sand, water, mud, paste or paint.	I am manipulating objects using my hands singly and together, such as squeezing water out of a sponge	I push, pull, lift and carry objects, moving them around and placing with intent	I begin to understand the cause and effect of my action in mark making	Knows that the marks they make are of value	Enjoys the sensory experience of making marks	

3 – 4 Reading	I have some favourite	I can fill in the missing	I enjoy rhythmic and	I listen to and join in	Joins in with	Looks at and enjoys
	stories, rhymes,	word or phrase in a	musical activity with	with stories and	repeated refrains and	print and digital books

Phonics

Cohort 2026:

"If you want your children to be intelligent, read them fairy tales. If you want them to be more intelligent, read them more fairy tales" - Albert Einstein Library Time. Throughout the day stories will be read, songs will be sung, to give the children a love of reading and words.

Phonics Cohort 2025

- -Begins to develop phonological and phonemic awareness Shows awareness of rhyme and alliteration
- Recognises rhythm in spoken words, songs, poems and rhymes
- Claps or taps the syllables in words during sound play
- Hears and says the initial sound in words

STORY DOUGH! is a simple yet powerful way to add the skills of language, fine motor, mark making and imagination to a childs day.

		Th	ese will be weekly session	ons			
Maths							
Birth – 3 Maths	I can combine objects like stacking blocks and cups. I can put objects inside others and take them out again. I can take part in finger rhymes with numbers. I can react to changes of amount in a group of up to three items. I can compare amounts, saying 'lots', 'more' or 'same'. I am developing counting-like behaviour, such as making sounds, pointing or saying some numbers in sequence. I can count in everyday contexts, sometimes skipping numbers - '1-2-3-5'. I can climb and squeeze myself into different types of spaces. I can build with a range of resources. I can complete inset puzzles. I can compare sizes, weights, etc, using gesture and language - 'bigger / little / smaller', 'high / low', 'tall', 'heavy'. I can notice patterns and arrange things in patterns.						
3 – 4 Maths	I enjoy and respond to playing with colour in a variety of ways, for example combining colours. I continue to explore colours and how colours can be changed. I recognise that two objects have the same shape. I show awareness of shape similarities and differences between objects. I recognise that two objects have the same shape I show awareness of shape similarities and differences between objects.	I point or touch (tags) each item, saying one number for each item, using the stable order of 1,2,3,4,5. I begin to recognise numerals 0 to 10 I can subitises one, two and three objects (without counting) I can count up to five items, recognising that the last number said represents the total counted so far (cardinal principle) I can link numerals with amounts up to 5 and maybe beyond Through play and exploration, I am beginning to learn that numbers are made up (composed) of smaller numbers I create my own spatial patterns showing some	Subitises one, two and three objects (without counting) Points or touches (tags) each item, saying one number for each item, using the stable order of 1,2,3,4,5. Begin to recognise numerals 0 to 10 Counts up to five items, recognising that the last number said represents the total counted so far (cardinal principle) Links numerals with amounts up to 5 and maybe beyond • Explores using a range of their own marks and signs to which they ascribe mathematical meanings Through play and exploration, beginning to learn	May enjoy counting verbally as far as they can go. Points or touches (tags) each item, saying one number for each item, using the stable order of 1,2,3,4,5. Uses some number names and number language within play, and may show fascination with large numbers. Begin to recognise numerals 0 to 10. Counts up to five items, recognising that the last number said represents the total counted so far (cardinal principle). Links numerals with amounts up to 5 and maybe beyond Explores differences in size, length, weight and capacity.	Recalls a sequence of events in everyday life and stories. Responds to and uses language of position and direction. Compares two small groups of up to five objects, saying when there are the same number of objects in each group, e.g. You've got two, I've got two. Same! Responds to both informal language and common shape names. Shows awareness of shape similarities and differences between objects	Through play and exploration, beginning to learn that numbers are made up (composed) of smaller numbers Beginning to use understanding of number to solve practical problems in play and meaningful activities Separates a group of three or four objects in different ways, beginning to recognise that the total is still the same May enjoy counting verbally as far as they can go. Counts up to five items, recognising that the last number said represents the total counted so far (cardinal principle) Links numerals with amounts up to 5 and maybe beyond.	

		_				
		organisation or regularity. I explore and add to simple linear patterns of two	that numbers are made up (composed) of smaller numbers Separates a group of	In meaningful contexts, finds the longer or shorter, heavier or lighter and		
		or three repeating items, e.g. stick, leaf	three or four objects in different ways,	more/less full of two items.		
		(AB) or stick, leaf, stone (ABC) I join in	beginning to recognise that the			
		with simple patterns	total is still the same			
		in sounds, objects, games and stories	Responds to both informal language			
		dance and	and common shape			
		movement, predicting	names

	Sorting	Patterns	Number 5	Mass Capacity	More than/Fewer 2D Shape 3D Shape	What Comes Before? Numbers to 5
			Understanding the world			
Birth – 3 People and Communities	I am starting to realise I influence people, e.g. as I laugh and smile so do the people I am are with.	I am curious about people and I show an interest in stories about people, animals or objects that I am familiar with, or which fascinate me	I am interested in photographs of myself and other familiar people and objects	I enjoy stories about people and nature (birds, bees, snails, cats, dogs, etc) and I am interested in photographs of myself with these	Has a sense of own immediate family and relations and pets	Beginning to have their own friends
Birth – 3 The World	I closely observe what animals, people and vehicles do.	I become absorbed in combining objects, e.g. banging two objects or placing objects into containers	I know things are used in different ways, e.g. a ball for rolling or throwing, a toy car for pushing	I am curious and interested to explore new and familiar experiences in nature: grass, mud, puddles, plants, animal life	Explores objects by linking together different approaches: shaking, hitting, looking, feeling, tasting, mouthing,	Remembers where objects belong

					pulling, turning and poking	
Birth – 3 Technology	I am exploring and making sense of objects and how they behave.		I anticipate repeated sounds, sights and actions, e.g. when an adult demonstrates an action toy several times	I am showing interest in toys with buttons, flaps and simple mechanisms and begins to learn to operate them	Seeks to acquire basic skills in turning on and operating some digital equipment	Operates mechanical toys, e.g. turns the knob on a wind-up toy or pulls back on a friction car
3 – 4 People and Communities	In pretend play, I imitate everyday actions and events from my own family and cultural background, e.g. making and drinking tea, going to the barbers, being a cat, dog or bird.	I am learning that I have similarities and differences that connect me to, and distinguish me from, others	I remember and talk about significant events in my own experience	I recognise and describe special times or events for family or friends	shows interest in different occupations and ways of life indoors and outdoors	Knows some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family
3 – 4 The World	I notice detailed features of objects in my environment.	I can talk about some of the things they have observed such as plants, animals, natural and found objects	I enjoy playing with small world reconstructions, building on first-hand experiences, e.g. visiting farms, garages, train tracks, walking by river or lake	I comment and ask questions about aspects of my familiar world such as the place where I live or the natural world	 Talks about why things happen and how things work Developing an understanding of growth, decay and changes over time 	Shows care and concern for living things and the environment
3 – 4 Technology	I play with water to investigate "low technology" such as washing and cleaning.	I can uses pipes, funnels and other tools to carry/ transport water from one place to another	I know how to operate simple equipment, e.g. turns on CD player, use a remote control, can navigate touch-capable technology with support	I am showing an interest in technological toys with knobs or pulleys, real objects such as cameras, and touchscreen devices such as mobile phones and tablets	Shows skill in making toys work by pressing parts or lifting flaps to achieve effects such as sound, movements or new images	Knows that information can be retrieved from digital devices and the internet

Expressive arts and design						
Birth – 3 Creating with materials Birth – 3 Being	I experiment with a range of media — tools, materials, sound and whole body movement through multi-sensory exploration. I respond to and	I continues to explore and experiment with an increasing range of media and movement through multi-sensory exploration and expression I can express myself	I can move while singing/vocalising, whilst listening to sounds and music, while playing with sound makers/instruments I pretend that one	Mirrors and improvises actions I have observed, e.g. clapping or waving	Sings/vocalises whilst listening to music or playing with instruments/sound makers Uses everyday materials to everyare	Notices and becomes interested in the transformative effect of their action on materials and resources Begins to make
imaginative and expressive	engages with the world that surrounds me, e.g. sounds, movement, people, objects, sensations, emotions (myself own and others.	through physical actions and sound	object represents another, especially when objects have characteristics in common	and movements, e.g. creates the sound of a car, animals	materials to explore, understand and represent their world – their ideas, interests and fascinations	believe by pretending using sounds, movements, words, objects Beginning to describe sounds and music imaginatively, e.g. scary music
3 – 4 Creating with materials	I join in singing songs.	I can create sounds by rubbing, shaking, tapping, striking or blowing	I experiment with ways to enclose a space, create shapes and represent actions, sounds and objects	I use 3D and 2D structures to explore materials and/or to express ideas	Explores and learns how sounds and movements can be changed	Uses tools for a purpose
3 – 4 Being imaginative and expressive	I show an interest in the way sound makers and instruments sound and experiments with ways of playing them, e.g. loud/quiet, fast/slow.	I create rhythmic sounds and movements	I use movement and sounds to express experiences, expertise, ideas and feelings	Experiments and creates movement in response to music, stories and ideas	Sings to self and makes up simple songs	Creates sounds, movements, drawings to accompany stories
